### o'Connor was demoted by Commisprecinct some time ago. He formerly commanded as an Inspector in the Tenderloin.

Edwin P. Hanta, the former confidential agent of the Yellow Taxleab Company, whose revelations brought about the present Grand Jury investigation, has prepared and furnished the District-Attorney with a list of persaps fifty policemen-all of the grade of patrolmen, attached to the traffic squads in the vicinity of the larger hotels in the White Light district—to whom he paid from \$5 to \$10 every

These "presents" from the Yellow Taxicab Company, Banta will later tell the Grand Jury, were for favors granted the chauffeurs of the Yellow Taxicab Company in the congested streets, and in many instances for permitting a violation of the law by allowing more than the specified number of Yellow taxicabs to stand in a restricted back

Banta will place before the Grand Jury what he believes is indisputable evidence of this petty graft. It is not ce of this petty graft. It is not known whether indictments of these men will be asked, but it is probable their names will be furnished to Commissioner Waldo for police depert-

## COMPANY'S BOOKS.

name of J. J. Wallace jr., the also appears as a user of a taxicab pass, though his bills were not so large as those of Martime. His bills- like those of Martime-have not been paid, though they have been so marked. Officials of the Yellow Taxicab Company admit that they have sworn to the Grand Jury that perfunctory bills were sent, and then the bills marked "paid" on the company's books, though, as a matter of fact, not

one cent ever changed hands.
One of the most serious charges made by Banta is that he was told by one of ab Company to commit perjury in conseen unable to furnish legal corroboraikely the Grand Jury will take up this & Co., bankers, at No. 33 Pine street

phase of his charge.

On Friday or Monday of next week officials of the Mason-Seaman Company, which does an even larger business than the Yellow Taxicab Company, will be asked to produce before the Grand Jury the records of that company dealing with "free rides" accounts. Although no evidence has yet been adduced relative to the activities of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company it is reported its charge account system of the Mason-Seaman Company, it is reported its charge account system of the Mason-Seaman Company it is reported its charge account system of the Mason-Seaman Company it is reported its charge account system of the Mason-Seaman Company it is reported its charge account system of the Mason-Seaman Company it is reported its charge account system of the Mason-Seaman Company it is reported its charge account system of the Mason-Seaman Company it is reported its charge account system of the Mason-Seaman Company it is reported its charge account system of the Mason-Seaman Company it is reported its charge account system of the Mason-Seaman Company it is reported its charge account system of the Mason-Seaman Company it is reported the paid to prove his case the description in the case to Dis its rival, the Yellow Taxicab Company, for household expenses.

Which has admitted that city officials Anked if Bishop knew anything profitted to the extent of \$20,000 a year about the Farquharson bill Mrs.

The investigation has revealed thus
far that the poor "boob" customer who
always pars cash and never makes a
kick has been putting up hundreds of
thousands of dollars for the taxicab
"Why, yes, I told him I wanted some
mother and he told me to get it and
charge it to him."
"At that time was your husband givspanies to make up for payments to tand rights and for losses on free rides taken by favored officials and individ-uals. Here is a very small section of the list of those who have been riding

mown, they may be found in every floe. Irving Berlin gets a discount of 25 per cent. on all his riding, no doubt because he wrote "Everybody's Doing It Now."

The Evening World, in its long fight, new about to come to a successful end-ing, for a reduction of taxicab tariffs and the abolition of private stands at and the abolition of private stands at hotels and elsewhere, which make it impossible for the independent hackman or "bucker" to gain patronage even with his lower rates, long ago exposed the esormous amounts paid to hotels and clubs by the various taxicab companies for the private stand privileges. for the private stand privileges.

The extent of these payments is of intense interest now, in view of its having won its fight. It was shown by the Evening World that taxion the Evening World that taxicab companies paid \$4,000 a year to the Hotel Imperial, the same to the Hol-Hotel Imperial, the same to the Holland House, \$20,000 a year to the Waldorf-Astoria, \$10,000 to the Astor. \$5,500 to the Astor House, \$20,000 to the Astor. \$5,500 to the Astor House, \$20,000 to the Knickerbocker, \$6,000 to Sherry's. \$5,600 to the Union Club, \$4,200 to the Union League Club, \$6,000 to Churchill's, &c. It was estimated at the time tracted there by my wife."

Called in his behalf. He told the jury house in class A. Wheelock called him over the telephone and said Mrs. Bishop wished to purchase some things there.

"She told me Mrs. Bishop had gotten things worth some \$2,700, which I don't know of. I told her I would not be responsible for any further debts contracted there by my wife."

According to the same disposition must be made of the money as in class A. THREE PERFECT BABIES FOUND things worth some \$2,700, which I don't know of. I told her I would not be responsible for any further debts contracted there by my wife." every year in this way, of which \$110,-Company and over \$150,000 by the companies which are now gathered under the name of the Tellow Tanicab Company.

TRAIL LEADS DIRECT INTO assistant in the trial of the action. CRIMINAL COURT.

These payments took no account of free riding privileges, which them-selves aggregate throughout the vari-ces taxical companies \$100,000 a year phase of the situation that is not yet or more, all of which must eventually be made good by the pay riding public in the shape of extertionate tariffs. The Yellow Taxicab Company alone, on an annual business of about \$2,000,
DuVivier intends to take up as soon

as much again.
